

REPUBLIC OF THE PHILIPPINES
CITY OF MANILA
OFFICE OF THE SANGGUNIANG PANLUNGSOD

CITY ORDINANCE NO. 2026-053

AN ORDINANCE ESTABLISHING A MICRO AND SMALL ENTERPRISE DEVELOPMENT AND LIVELIHOOD ASSISTANCE PROGRAM FOR RESIDENTS OF THE CITY OF MANILA

Sponsor: Hon. Councilor Gregorio S. Villanueva | Presiding Officer: Hon. Vice Mayor Maria Elena T. Cruz

PREAMBLE

WHEREAS, micro and small enterprises constitute a substantial portion of livelihood sources for Manila residents, particularly in the informal sector;

WHEREAS, limited access to capital, technical training, and market linkages hinders the growth and sustainability of local micro-enterprises;

WHEREAS, Republic Act No. 9178, the Barangay Micro Business Enterprises (BMBE) Act, encourages local government units to support micro-business development;

WHEREAS, a City-supported livelihood assistance program will reduce unemployment and strengthen local economic resilience;

NOW, THEREFORE, BE IT ORDAINED by the Sangguniang Panlungsod in session assembled, that:

SECTION 1. Title. This Ordinance shall be known as the "Manila Micro and Small Enterprise Development Ordinance of 2026."

SECTION 2. Declaration of Policy. The City of Manila shall provide financial, technical, and regulatory support to micro and small enterprises within its jurisdiction.

SECTION 3. Livelihood Assistance Fund. The City Government shall establish a revolving Livelihood Assistance Fund offering low-interest microloans to qualified applicants.

SECTION 4. Business Registration Assistance. The Business Permits and Licensing Office shall establish a simplified, one-stop registration process for BMBE-qualified enterprises, including fee exemptions as provided under RA 9178.

SECTION 5. Skills and Entrepreneurship Training. The City Public Employment Service Office shall conduct quarterly entrepreneurship and skills training programs in partnership with TESDA and DTI.

SECTION 6. Market Linkage Support. The City shall facilitate participation of registered micro-enterprises in local trade fairs and public market spaces at subsidized rates.

SECTION 7. Appropriation. Initial capitalization of the Livelihood Assistance Fund shall be sourced from the City's Economic Enterprise Development budget.

SECTION 8. Effectivity. This Ordinance shall take effect fifteen (15) days after publication in a newspaper of general circulation.

EVALUATION CRITERIA COMPLIANCE STATEMENT

In accordance with the City's legislative evaluation standards, this Ordinance addresses the following criteria:

1. Economic Feasibility

Initial capitalization of Php 50 million is proposed for the revolving Livelihood Assistance Fund, designed to be self-sustaining through loan repayments and interest earnings within five (5) years. The program is projected to formalize approximately 2,000 micro-enterprises, expanding the City's local business tax base over the medium term.

2. Social Impact

The program is expected to benefit an estimated 5,000 residents engaged in micro and small-scale livelihood activities, particularly women-led home-based businesses and informal vendors, by improving their access to capital, formal registration, and skills development opportunities.

3. Environmental Impact

The program does not involve physical infrastructure construction; environmental considerations are limited to encouraging registered enterprises to adopt basic waste management and sanitation practices as a condition for continued program participation.

4. Legal Compliance

This Ordinance is enacted pursuant to the Sangguniang Panlungsod's authority under the Local Government Code (RA 7160) to promote local economic development, and is consistent with the fee exemptions and registration simplification mandated under RA 9178 (BMBE Act). Fund disbursement and loan administration shall follow standard local government accounting and auditing rules under COA regulations.

ENACTED: September 5, 2026
